1. It is my responsibility to provide all learning materials needed for my homeschool program. My local public school district is not required to pay for or provide any educational materials.
2. I will provide instruction in the English language in the following subject areas: language arts, social science, mathematics, biological and physical sciences, fine arts, and physical development/heath.
3. State law does not require me to keep attendance records, grades, completed assignments, tests, or any other records of my homeschool program. However, I accept responsibility for not keeping such records if asked to show proof of my child's education. Submitting this form is not proof that I have provided adequate homeschool education for the children listed above.

6. The coursework and grades completed in a homeschool program may or may not be accepted if my child re-enrolls in public school. As a result, my child may be required to retake courses or grades completed while being homeschooled.

I have notified my student's current school of my intent to homeschool and unenrolled my student from their current school.
